

*Tribal Behavioral Health ECHO free series, **Reclaiming Native Psychological Brilliance***

Anyone supporting Tribal Nation citizens through the health/behavioral health sector is invited to join this opportunity to increase awareness of the impact of Native brilliance on modern psychology; discuss ways that western world view impacts Indigenous behavioral health assessment and treatment; gain skills on strength-based approaches for Native behavioral health; learn about Native brilliance examples to share with behavioral health and other health care staff, as well as with local Tribal Nation citizens.

This series will be held monthly on the fourth Tuesday of the month 11am-12pm PT through November 2022. You **MUST** register for each individual session to get the unique link for each session. Continuing education credits will be provided.
